Engaging Students Beyond the Classroom

Montgomery County Public Schools (MCPS) is joining a national trend in keeping students engaged on non-instructional school days. This engagement is especially important following the disruption of school attendance during the COVID-19 health pandemic. On non-instructional days, MCPS students are now offered opportunities to participate in virtual and in-person experiences offered by MCPS and third-party providers of youth activities. The experiences offered support extended learning through such activities as tutoring, virtual or in-person field trips, or special informational programs. Other experiences encourage students to focus on wellness through activities such as mindfulness, sports, and learning about healthy living.

The Montgomery County Public Schools Educational Foundation is pleased to support this effort by offering a wellness activity to more than 400 middle school students on a non-instructional day in the 2022-2023 school year. We have partnered with Topgolf-Germantown and other sponsors to offer students a Golf FORE'EM, which will include a wellness rally along with the introduction of the sport of golf. Students will be at Topgolf-Germantown from 10 am – 1 pm on Monday, October 24, 2022.

Later that evening, Foundation Directors will host a happy hour Golf Tournament at Topgolf-Germantown. Montgomery County Board of Education members, the Superintendent of Schools and members of her leadership team will play to raise funds for Foundation-sponsored student activities on non-instructional school days. It will be a fun evening that includes light fare, a Hole-in-One contest, and other challenges for prizes.

We welcome your tournament registration and encourage you to bring your own cheering section by purchasing spectator tickets for your family and friends. Any support given will be greatly appreciated.

Registration Levels & Details

AP Player Registration (\$500) is the most generous way to support the cause. The AP registration is valued at \$145 and includes a \$355 charitable deduction and a deluxe swag bag.

Honors Player Registration (\$250) is valued at \$105 and includes a \$145 charitable deduction and a tournament swag bag.

The Tournament will take place on the third level of Topgolf-Germantown. Each golf bay is a climate-controlled, partially covered driving range that holds six players plus two spectators. Therefore, the tournament will not have a rain date.

No refunds will be given for cancellations after September 30, 2022.

**Plan to join us for a fun evening
in support of MCPS students!**
